

AGI

RENTAL CAR

Connecting with Customers On-The-Go
Our team has designed signage and digital messaging systems for some of the world’s most prominent car rental companies. We create everything from the distinctive signage and trade dress adorning the rental counter, to garage signs and the open lot and stalls where cars wait for drivers. Everything we build helps engage your on-the-go customers, create a seamless brand experience, and drive loyalty amongst car renters and travelers.
See more on Rental Car on our Website.
