EVEN HOTEL

Even Hotel Times Square South, New York, NY
"We wanted the Even Hotel to essentially have its own voice that comes out of the whole ethos of the brand, which is about wellness. Natural elements including Interwoven Eco-Panels for focal walls in the lobby and in the “Wellness Den” plus porcelains on the floors and wall surfaces throughout the public spaces all reflect this holistic concept. The subtle fitness inspiration continues in each guest room where the In-Room Training Zone is supported by the sustainable custom Cork Flooring.
ASI makes us feel like part of their family. They figure out a way for us to realize our vision and communicate the essence of each project. It’s through loyalty and the ability for us to collaborate that we bring projects together in a unique way.”
