JOURNELLE

Journelle, New York, NY
"Journelle is all about creating a personalized lingerie experience for every woman, everyday. We wanted the multi-brand enviroment to feel tailored and polished, yet warm and accessible. ASI was the natural choice for Journelle because of the quality and variety of the products. The rich ASI Hardwood I Flooring, in the Rustic Walnut finish, contributed significantly to the indulgent atmosphere of luxury and comfort. We worked with the ASI team to find a material that was not only perfect for the brand, but fit into our timeline and budget. We can always trust ASI to provide the most attentive and professional service."
