SAKS FIFTH AVENUE, HONOLULU

Saks Fifth Avenue, Honolulu, HI

"The design concept was to reflect a contemporary representation of the locale incorporating materials that were indigenous to the landscape. JHA worked closely with ASI to source natural limestone for the exterior façade of the building. ASI also supplied the custom mosaic flooring throughout the beauty department in an intricate geometric pattern, giving a lot of life and sparkle in the space.

"Every time we require custom or complex materials, ASI is the company that we go to!"
