## SNEAKER MRKT

Sneaker MRKT at Hirshleifers, Manhasset, NY
Our goal in Sneaker MRKT was to create a shopping environment for the client that at once felt classically modern, luxurious and comfortable. The reflected light from the full length skylight is warmed by the tone of the oak wood grain ceiling treatment – creating a space you want to spend time in.
The design concept features a warm palette of oak, travertine and concrete. The shop is furnished with custom and classic pieces inspired by the mid-century modern period and the custom built-in furniture were coordinated to compliment the wood oak ceiling."
