THE MARMARA PARK AVE.

The Marmara Park Ave., New York, NY
"We wanted to create a contemporary, classic edge for a truly boutique hotel. We used old world materials in a cutting-edge-style and brought true artistry into the design. Architectural Systems was a pleasure to work with throughout the process in creating the unique hardwood flooring and tile throughout the guest suites and spa areas. The Marmara represents my take on the metropolis and it came out great!"
