

BIG APPLE VISUAL GROUP

LIGHT BOXES

Today's industry has a broad spectrum of visual needs. Our custom fabrication lightboxes and their engineering certainly support the visual expressions your brand is looking to meet… Your vision becomes a reality according to your brand environment.

Transform your conceptual design into the manipulation and combination of metals, woods, MDFs, plexi, acrylics, lighting, digital tech features, graphics, paint and special finishes.

Our innovative ways of custom fabrication can be used in most retail and commercial settings.
