SORBETTI 2.0

Sorbetti is the very definition of versatile, purposeful, and graceful shelving. With Sorbetti 2.0, the best qualities of the original system—mid-century modern styling and micro-adjustable internal hardware—remain and are elevated with integrated LED lighting and internal power. The new iteration combines an elegant, black anodized aluminum with casework and shelving in an array of finish choices, such as blackened oak and rift-cut white oak. With these upgrades to both the function and aesthetics, Sorbetti 2.0 seamlessly assimilates into any commercial, healthcare, retail, hospitality, or workplace setting.
