## GANDER OUTDOORS

When the new hometown outfitter, Gander Outdoors, was looking to relaunch their store segments, they engaged Chandler to provide a turnkey solution. Our award-winning design team developed preliminary concepts and 3D renderings. We dedicated an extremely strong project management team to ensure each detail was intact. And, our on-site engineering and fabrication teams seamlessly brought all the upfront efforts to life.
One of the first stores to launch was located in Lakeville, Minn. Shoppers flocked to the store's grand opening and observed CEO Marcus Lemonis' flag raising ceremony.
