

CHANDLER

VALISE

Valise Boutique + Apothecary reached out to Chandler for store design services to create a versatile and classic environment for their 1,200-square foot location in St. Paul, Minnesota.
The project scope included fixture design, fabrication and installation services. Our design team presented drawings that incorporated a desired European style. In just short eight weeks Chandler's team fabricated designs and installed the custom-built creations within the boutique space. From there, it all started coming together beautifully.
