

CLEARLED

CLEARLED POSTER

The newest all-in-one transparent LED digital poster for merchant window advertising and more
The Poster Series LED transparent digital poster has been designed with simplicity and user friendliness in mind. The ClearLED Poster is sleek, lightweight, and convenient. Ideal for a multitude of installations, you can use the ClearLED Poster for window advertising as well as for in store announcements, trade show and event promotions, and drive-through specials.

- Save time and labour on poster changes—buy it and install it just once
- Make changes to content fat with easy to program software
- Program to display static or video content
- 24/7 visibility—highly effective day and night and from a distance because of their unique and unparalleled brightness
- Built in light sensors
- 60% natural light filter (do not act as barriers or light inhibitors because of their unique transparency)
