

## CUBIC VISUAL SYSTEMS USA

### CUSTOM STANDARD GONDOLAS

We integrate our modular systems within the millwork of "custom" gondola units so much that they are now a standard practice for shop fitting solutions. This is a great way to utilize the same wall hardware and display accessories on the perimeter walls of your space as well as the mid-floor displays. See more information at [www.cubic-us.com](http://www.cubic-us.com)
