CUBIC VISUAL SYSTEMS USA

POINT

The "Point" system is a beautifully integrated monopoint hardware intended for horizontal fixtures. These allow you to add dimension and modular functionality to your tables, counters, and cabinetry. A range of accessories are available including platforms, shoe displays, hang-rails, powered shelves, signage, mannequin support arms, and more. Multiple diameter sizes are available, please see our PDF catalog.
Custom accessories are easily created for this system and it gives you much flexibility to update your displays in the future.
