SHOP IN SHOP

Sales success on small and large areas
Create attention, increase awareness, address customers in a targeted manner, increase sales. Sophisticated shop-in-shop systems have a lot of potential to successfully place your brand and products at the point of safety.
Decor Metall is a specialist for the 'shop within a shop' and knows all the factors to give your products an optimal sales platform. We develop and produce your tailor-made shop-in-shop solution. This form of product presentation, with which you can stage small and large sales areas in specialist shops and department stores in an eye-catching way, is a real sales booster. With a shop-in-shop concept, you remain flexible with regard to the presentation of goods in different shop sizes. By the way: shop-in-shop systems are also the ideal solution for road shows and pop-up stores.
