FOCAL LIGHTING

D|Fab makes custom lighting solutions that enhance displays, influence purchases and attract customer attention. LED light-integrated applications include backlighting, halo-lighting, internally-lit wayfinding signage and in-aisle illuminated display graphics. D|Fab is UL approved and has innovative lighting solutions and the engineering capabilities to develop your custom project.
D|Fab also makes custom branded Drum Lights. These internally-lit décor elements are constructed with a durable, lightweight frame and can be crafted in drum, cone and box shapes. The printed surface features your graphic art or image with a glowing, backlit matte surface, using energy efficient LED or CFL lighting technology.
