TOUCHSCREEN COMPUTERS

Touchscreen Computers deliver a reliable, commercial-grade solution with the flexibility and functionality of Google™ Play Services. Based on a unified architecture, Elo's Android-powered devices make it easy to create a seamless experience for your customers - from their mobile devices to your interactive in-store experiences.
Purpose-built with a modular design, the I-Series can be found in installations across the globe, from in-store interaction and point of sale to self-service, hospitality and corporate office environments. The uses are limitless.
You can deploy and manage your Android devices with EloView® and take advantage of the latest Google Mobile Services features. Available with your choice of size and configuration, the 3.0 Android-platform is designed to offer versatility across environments with the durability to meet the demands of continuous public use.
