WAWA

Wawa, Convenience Store
With the fast-paced lifestyle of today's consumer, the traditional convenience store is shifting into foodservice, complete with food and beverage options to fit the needs of every on-the-go customer. At EMI, our creative team understands this shift and the demands for durability, functionality and innovation in the high-traffic world of convenience stores. From food cabinets to coffee bars, we have the knowledge and expertise to design and build fixtures that will put you at the forefront of this industry transformation.
Every millwork and metal piece we make is designed and built according to the highest quality standards. Here at EMI, passion isn't a word we throw around lightly. It is the foundation for what we do. That's the way we've been doing things for over thirty years.
