WHOLE FOODS

Whole Foods, Supermarket
Supermarkets have become a one-stop-shop for today's eclectic foodservice consumers, with stores offering not only groceries, but also ready-to-eat meals and even gourmet takeout items.
With so many different customer needs, EMI has the knowledge and expertise to design and build products that will enhance every facet of the shopping experience. Whether you're looking for a uniform look throughout all your locations or want each store to have its own design and personality, EMI's team of experts will design and build products that impress.
From innovative checkstand designs, to food demonstration kiosks and back-of-the-house food prep areas, all of our millwork and metal items are made with exceptional attention to functionality, durability and beauty. The result is a finely-crafted product with an intelligent design that always complements your shopping environment.
