MULTIGRIP™ ADAPTER

MultiGrip is our tried and tested payment adapter solution to fit the largest possible range of new and existing payment terminals. Using soft rubber grips to secure the terminal in place and compatible with all our pole mounting and card terminal stand systems, there is a MultiGrip solution for every requirement.

MultiGrip is made from high quality steel and is available both with and without handles, offering accessible use for all customers. From 1st November 2020 antimicrobial powder coating is applied, as standard, to all SpacePole® metal products ordered in black

MultiGrip is compatible with ALL payment terminals on the market with new devices being supported on release.
