

## FUSION

### HIGH LINE

The High Line, New York's unofficial outdoor fashion runway. A place for all to strut their stuff, allowing anyone to make a statement as they stroll. Universal and democratic, anyone can find themselves easily a part of the scenery, and the ultimate inspiration for our Highline Collection.

An undercurrent of natural confidence gives way to elegant poses, modern movement, and contemporary bodies. Clean and abstract details lend to present-day fits in a diverse range of sizes and fashion-forward pose options.
