

GONDOLA TRAIN

?FURNITURE MOVING DISCS

Moving office furniture and retail equipment on commercial carpet or hard-surfaced flooring can be easily accomplished with the Gondola Train Glide Slide Discs. The industrial grade thermoplastic bottom surface has a slick finish to slide without difficulty on carpet. The foam insert side of the disc will stabilize the furniture legs so they will not slip off the disc while being moved.The heavy-duty discs have unlimited applications for offices and businesses.

MOVING SYSTEM BENEFITS

- Move office furniture and fixtures on commercial carpet and hard-surface floors
- Discs have unlimited applications for offices and retail businesses
- Polished heavy-duty thermoplastic bottom surface slides easily on carpet
- Foam insert on top surface prevents shifting during moving process
