

GONDOLA TRAIN

HEAVY EQUIPMENT ROLLER

The U Roller skate moving system is simple to install, easy to use, heavy duty and has a variety of applications. Make your store remodeling a smooth transition using Gondola Train skate movers.
MOVING SYSTEM BENEFITS
• Low profile design
• Move counters, safes, wood crates, refrigeration units
• Works on commercial carpet, tile, cement, wood flooring
• Non-marring high-impact roller bearing wheels
• No mechanical moving parts
• Large wheels to roll more easily on carpet and without marring wood flooring
