

GONDOLA TRAIN

S.A.M. SHELVES ALWAYS MOVING

The S.A.M. Shelves Always Moving System is designed and constructed to work with heavily merchandise fixtures; such as grocery aisles and similar retail store shelves.

MOVING SYSTEM BENEFITS

- Simple 3-piece design, easy installation
- Quick safe assembly & disassembly
- Locking spring system
- Designed to handle grocery shelving & more
- Works on tile, wood, and carpet
- Large non-marring 5" roller bearing wheels
