

GROTTINI

GEOX

Geox is a leading brand in the International lifestyle footwear Market. Geox is a wholly Italian idea but with a strong international vocation. Over 70% of its turnover is achieved abroad in more than 100 countries worldwide.
The project was designed by the architect Riccardo Stolzuoli in perfect post-industrial style, in which the common spaces are aimed at stimulating social interactions and become as similar as possible to private home with the utmost attention to the aesthetics of details and materials.
Grottini Retail Environment has recently started an important collaboration with Geox Spa for the construction of various stores and corners.
