

GROTTINI

GRUPPO ACEA

Acea Group is an Italian multiutility leader in the national market and active in the management and development of networks and services in the water, energy and environmental businesses. The ACEA Group has chosen Grottini Retail Environments as a partner for the construction of the first Acea Energia Shop, which will be followed by the construction of new shops in the capital. Grottini Retail Environments, thanks to the art direction of the designer Alessandro Luciani, has provided its experience in the design of efficient formats. The "Acea Energia Shop" environments transmit a modern, warm mood, using evocative and emotional colors, with design elements capable of welcoming the visitor. The spaces are made with ecological materials and, to support the company's green vocation.
