

IDX CORPORATION

TACO BELL

Taco Bell's desire to change the fast food dining experience drove their new program - Transformation. They partnered with idX to launch the new concept. idX provided creative design adaptations simplifying program execution.

By offering East-West manufacturing solution, idX quickly transforms Taco Bell's locations around North America. idX engineers and manufactures front-of-house tables, sauce/soda stands, chairs, stools, booths, freeze bars, liquor cabinets, patio furniture, and point-of-sale counters.
