OKATSHE - TROPICANA HOTEL AND CASINO

Drastically different and unexpected, Okatshe is a mysterious hide-away, with a brightly colored Japanese candy storefront façade veiling the restaurant within. Hidden doors open to a dimly lit, back alley inspired space informed by the streets of Tokyo's Shinjuku neighborhood revealing an urban alley with sushi and sake bars and yakatori kitchens. Filled with with concrete communal tables and booths lined by graphic murals from visual and street artists that capture the chaos and beauty of the streets and back alleys of Tokyo.
