CLASSIC MODERN

CLASSIC MODERN - is a collection with a new understanding of Vintage style. Mannequins from this line have various colours and are made from different materials. What makes the collection stand out are hands which can be; bend, turned and adjusted in all directions. Furthermore, the mannequin's head can be made out of a metal wire or can be covered in fabric. The heads can be exchanged within this line. This concept is unusual and is only being used in the CLASSIC MODERN collection. The collection includes 9 female mannequins.
