MANNEQUINS

Use a selection of mannequins (pronounced manikin) to bring your window displays and shop floors to life. We have a whole range from tailors dummy's to clothes mannequins and fashion mannequins in all kinds of poses. With over 170 years' experience of supplying mannequins to the UK retail industry we are confident you'll find us to be a most competitive wholesale supplier. We all know that catwalk models aren't quite 'real'. Very few of us can pull off that kind of look! But they do inspire a certain aspiration that you too can emulate with a great mannequin display. So when thinking about visual merchandising do spend a bit of time choosing the type of model/mannequin your customers can not only aspire to, but relate to.
