

PAN OSTON

ELEMENT FAMILY

The ELEMENT Checkout family has gained a great reputation and is well known throughout the retail sector. It has undergone long-term development in order to create a series of modular furniture options. Its many possible variations are suitable for almost every sector.
With the ELEMENT family, the options are almost endless from belted checkout to retail counter and checkout counter. The ELEMENT can be a supermarket checkout in supermarkets or an in-store checkout at a wholesalers or cash & carry. Whatever your available floor space is and however many products you want to offer at your checkout, the ELEMENT offers a solution for every type of store/shop.
