

PRESTOP

ORDER KIOSKS

Now that the intelligent lockdown is over, we can conclude that order kiosks will be used more and more! Prestop is the largest manufacturer of order kiosks in the Benelux and has noticed that there is a need for payment kiosks that can be paid with QR, QR Payconiq, Adyen Pay by Link and contactless.
Because Prestop has not only invested in fully glass touchscreens (we do not build a separate touchscreen in a kiosk so that there is a dirty edge between screen and housing), but also in knowledge of linking with various payment systems.
New in our package are also semi-exterior kiosks and order kiosks with an integrated contactless disinfection gel dispenser.
