

PROPORTION LONDON

VINTAGE

Each body is lovingly handmade of papier mache at our London factory to your bespoke specifications. The production process remains virtually the same as it was over a century ago: natural materials, eco-friendly manufacturing techniques and handmade quality all feature as standard in our display figures.

To create your own Vintage Style bust form:

- 1 – Select a bust form shape or body from our vast library
- 2 – Choose a fabric covering and ageing finish
- 3 – Decide on a base stand and neck cap or finial finished to your brief
- 4 – Specify any embellishments, stencils or finish details

We also have a Vintage Style Accessories collection to complement this range, completing the most captivating retro style store interiors combined with modern functionality.
