

QUANTUM 4

ADIDAS FLAGSHIP

From 2017 adidas have retained us as a preferred development partner supporting global expansion. Beyond development & engineering we provide regional and local support in Asia, Europe and America to ensure their suppliers and store environments meet exacting standards. Our work contributes to adidas' policies on H&S, sustainability and material standards. We are trusted to deliver concepts for a broad portfolio of adidas brands including the iconic Originals, Reebok Classic and premium Y3.
