

QUANTUM 4

NESPRESSO BRANDHAUS

Our technical design expertise led Nespresso to first engage us in reviewing their complex range of premium product demonstration units. We value engineered and enhanced the suite of fixtures, producing detailed specification packs which enabled Nespresso to carry out an accurate tender process and select a roll-out partner. Through that first project, Nespresso became familiar with our proven sustainable design track record and engaged us to develop the custom fixtures for their high-profile sustainability-focused Vienna flagship.
