## PROFITPUSHER 2

ProfitPusher 2 front-facing systems save you significant labor costs and improve the shopping experience.

ProfitPusher 2, the most utilized front-facing system in the world, is a reliable workhorse that has been increasing sales and saving retailers money on labor costs for over 15 years. Managing over 300 million facings of product, the automatic spring-feed pusher keeps merchandise front-faced and always available for sale. ProfitPusher 2 is a proven shelf management solution that typically pays for itself in less than one year.
