NOTEWORTHY: Shawmut's help again creates a uniquely impressive Tag Heuer store. Throughout the space, watches and other accessories are displayed on freestanding and in-wall fixtures. The space features cove lighting and LED lighting throughout as well as a knife edge finish on the ceilings throughout the perimeter of the space and 24"x48" grey porcelain tile flooring to complement the millwork. The storefront consists of 3/4" glass between panels with LED lighting throughout and new signage. The three different panels involved extra coordination with the electrician, glaziers and the metal.
