FLEX BOX SYSTEMS

Here at SignComp Europe, we offer a range of flex box systems which can be used to create a range of signage. Our World famous flex face sign systems are commonly used by sign makers throughout the UK, Europe and the rest of the World. The flex face signage systems we offer are a great solution for many locations including retail, airports, restaurant, shops, offices and many more.

We have been supplying signage companies with our flex frame systems for over 25 years and we have developed a well-known reputation for the quality of the materials and profiles we offer. Whether you're in need of a flex face quote or something else in our portfolio, then be sure to get in touch with us at SignComp Europe. We can provide expert advice on the sign system that would best suit your application.
