

## T.C. MILLWORK

### METAL FIXTURES

From steel tube, to stainless steel, we engineer, produce and deliver thousands of custom store fixtures.

- Racks
- Tables
- Towers
- Ballet Bar
- 2 Way Racks
- 4 Way Racks
- Pipeline Racks

We have several price-point levels depending on budget and brand/product being displayed. We commonly prototype and have small run production domestically, and large runs and roll outs are made in one of our offshore factories.
