#### ORGANIC SCULPTED FURNITURE

These beautiful organic sculpted furniture are one of a kind creations made by skilled crafts persons utilizing urban salvaged and reclaimed solid woods.

TC Millwork's goal is to provide this unique and beautiful line of furniture as a way for customers to differentiate themselves from their competition, as well as for hospitality and residential spaces.

At the same time our goal is to give these wood slabs a second life instead of letting them to rot and decay. All wood is sourced from individual band saw mill owners from salvage situations.
