T.C. MILLWORK

THE HYBRID T-TOP

The ultimate in slot stand configuration while maintaining the spacious features of the Hybrid™ Slot Base. The tops are equipped with TC Millwork's patented Gaming Grid™, which allows the easiest installation of any cabinet configuration from all slot machine manufacturers.

By incorporating geometric tessellation (better known as "tiling") to the counter top, slot bases can now be added or subtracted with ease, right on the casino floor. Meanwhile, The seamless look of the counter top stays intact as the configuration changes.
