BACK OF HOUSE

Storing back-stock, organizing mail orders, or offering employees a break room are all part of back of house fixture packages. At TJ Hale, we'll work with you to help design exactly what you need for the back of house portion of your store. Our materials for back of house fixtures are available in the same materials as the rest of our designs. If you're looking to finish the design of your store, back of house equipment is what you're looking for.
