

TJ HALE

FEATURE/DONOR WALLS

Feature walls and donor walls are a fantastic way to bring attention to a memorial, cause or celebration. The quality of our work ensures that whatever your subject, the solution will honor it appropriately. TJ Hale has completed numerous projects of this kind, including the National September 11 Memorial & Museum in New York City. We are honored to have been chosen to work on such a magnificent tribute to those who gave their life at the World Trade Center. The same dedication and attention to detail will go into your design and application.
