

UNIQUE

STRATUS VINEYARDS

Elegance and beauty don’t have to undermine the practicality and functionality of a space. Unique’s exquisite mesquite walls and marble tabletops are complemented by the uniformity in its glass and metal fixtures, creating a space that is not only visually stimulating, but also serves a purpose. Recognized as the first LEED-certified winery in the world, Stratus Winery’s contemporary environment celebrates the brand’s uncompromising standards and innovative approach to producing its world-class product.
