

## WEST COAST FIXTURES

### PRODUCE FIXTURES

Welcome to our range of unique produce display tables & racks. We help you enhance your customers' in-store experience through our functional & beautifully crafted produce display tables & racks. Our displays are designed to meet both your budget and project deadlines, while projecting your brands' unique DNA. We have pre-configured display cases or we can customize our designs to meet your unique requirements.

Choosing the best produce display tables and racks will positively impact your produce sales volumes. We can design the perfect solution by considering your product, your customer and your brand essence. Let us help you take your store to the next level in customer experience.
